The roses we offer are good, strong plants and have good firm roots for starting. We do not handle stored bushes, our orders being filled right from our nursery. We guarantee them true to name and will replace or refund on any not coming so. We are not responsible for plants dying after being sent out, since plants will be sent in good condition, and if they do not arrive so, you should notify us at once. We can supply other varieties besides those listed.

NOTE.—Letters after names stand for classes of roses as follows: T., tea roses; H.T., hybrid tea; H.P., hybrid perpetual.
